**[38:17]**  
 Be patient in the face of their utterances, and remember our servant David, the resourceful; he was obedient.  
 Since we are told to remember David, let us remind what exactly he said again: 1 Answer me when I call to you, my righteous God. Give me relief from my distress;  
 44 have mercy on me and hear my prayer.  
 2 How long will you people turn my glory into shame? How long will you love delusions and seek false gods?  
 3 Know that the LORD has set apart his faithful servant for himself;

Girls don't need to go to school, there's Marooning going on, there's witchcraft going on, there's gangsters, there's witches, but then neighbours are far worse than school, cousins too, people in gneral are evil, when you become a successful human, they wanna kill you to enslave you in the underworld so you don't go to paradise, dogs bark like fuck, agent provocateurs spies of Satan provoke and arrogantly think they have an entitlement, but God is One, by worshipping God alone, you have nothing to fear nor will you grieve.

My family were the Airport owners, Solomon was given a vast material wealth because jinns could move in a blink of an eye, and even brought Sheba's palace and paved it in crystal to Solomon before Sheba and her guest arrived. And Kashif the Messiah son of David, who is referred to as 'my son' in the Proverbs of Solomon, built the one room manifestation of A11AH and with an Apple Time capsule it's Star Trek time
